Exciting opportunity for self-employed coach/coaches

We are keen to meet and talk with a coach (or coaches), who would be interested in working within our junior age groups. This would most likely be for three hours coaching on a Sunday morning, but with scope for further work (e.g. winter, match-day or summer camp coaching).

The club has established and experienced managers of all age groups in our junior section and is hoping to surround the managers with more qualified coaches. The club has a strong tradition of developing young cricketers and giving them their opportunity in adult cricket. Any new coaches will support our existing team and help us to closely monitor our young talent.

If you are excited by the idea of working with us, please contact our Committee on:
coaching@stmcc.org.uk

We look forward to hearing from you,
